Sub: Revised guidelines for seeking recommendations of Standing Committee of National Board for Wild Life for activities in protected areas- reg.

Sir/Madam,

Reference is invited to the Ministry's guidelines for seeking recommendations of Standing Committee of National Board for Wild Life for activities in protected areas issued vide letter of even no. dated 21st July, 2022.

2. In this regard, it is mentioned that the provisions 36A (2) of Wild Life (Protection) Act, 1972 related to Conservation Reserve specifically provides that: "...sub-section (2) of section 18, sub-section (2), (3) and (4) of section 27, section 20, 32 and clauses (b) and (c) of section 33 shall as far as may be, apply in relation to the Conservation Reserve as they apply in relation to a sanctuary".

3. It is also mentioned that the Section 29, which provides for consultation with State Board for Wild Life for activities within a Sanctuary, and Section 35(6), which provides for similar consultation for National Parks, but with the National Board for Wild Life, are very specific for those categories of PAs. Such provisions do not exist in Wild Life (Protection) Act, 1972 in respect of the Conservation Reserve and Community Reserve and State Government were accordingly empowered to take necessary steps for protection and preservation of Conservation Reserves and Community Reserves.

4. In this context, as per the revised Guidelines dated 21st July, 2022 (copy enclosed), projects/activities proposed to be located within Conservation Reserves notified under the Wild Life (Protection) Act, 1972 do not require consideration by the Standing Committee of National Board for Wild Life.

This issues with the approval of competent authority.

Yours faithfully,

(Dr. Sudheer Chintalapati)
